REWRITE THE STORY

Help special schools to shape future careers -
your experience matters

Volunteer to become an Enterprise Adviser today.

Get involved.

We have several vacancies across
Special Educational Needs and Disability (SEND) schools.
Help us ensure these young people are not missing out
and are able to find their best next steps.

Are you interested in?

- Meeting new people - joining a Network of over 4,000 Business Volunteers
- Building stronger working relationships with your local school or college
- Helping to develop the skills and the future pipeline of employees
- Providing an insight into your organisation and industry

Register your interest:
enterpriseadviser.careersandenterprise.co.uk

‘Working with a SEND school frankly filled me with fear! Like most, I had preconceived ideas about what this entailed. Once you start working in a school and can see the difference you are making, there is no better reward.’

Richard Osborne, Enterprise
Adviser & CEO of Business Data
Group Ltd
