Careers Leader Training

Overview

Careers Leader training has been designed to support Careers Leaders in school to build a progressive and embedded careers programme with career learning outcomes supported by a strategic career plan. The course aims to add value and capacity to school leadership by embedding careers learning into whole school priorities and vision.

The approved courses in this catalogue are fully funded with an additional £1,000 bursary payable to the school on completion to cover any costs incurred.

We have partnered with 12 high-quality Careers Leader training providers who provide flexible learning options to suit all needs.

Key Learning Outcomes:

- Describe the Gatsby Benchmarks, review their school's or college's current level of implementation and set out a plan for taking forwards
- Discuss key aspects of career theory and how these apply to their learners and the school's or college's careers programme and the local/regional context
- Describe a range of different education and employment routes, including vocational routes such as apprenticeships and the new T Levels, and make use of career and labour market information to underpin this knowledge and support their school or college careers programme
- Discuss and apply relevant policies and frameworks for practice
- Describe how to keep your school's or college's programme up to date going forward
- Articulate and adopt the principles of good leadership and management and consider how these can apply to leading careers provision in a school or college
- Describe and perform the key roles and attributes that comprise careers leadership: Leadership/ Management/Co-ordination/Networking
- Develop yourself and your programme in the light of reflection, evaluation and new evidence

Choosing a Course

Careers Leaders should consider the following when making a course selection:

1| Accreditation

Careers Leaders can opt for either non-accredited or accredited training to both Level 6 & Level 7. Some of the accredited courses include completion of OCR Units 21,22 & 23 from the Career Guidance and Development, OCR Level 6 Diploma

2| Training location

Careers Leaders can opt for courses from all regions and must consider travel requirements as part of selection process

Careers Leaders working within SEND are encouraged to consider all providers. Careers Leaders working within FE are advised that the Teach First programme is specifically for school-based Careers Leaders and are encouraged to consider all other providers.

We have created a [comparison guide](#) to help Careers Leaders navigate the options around accreditation, training location, course structure and provider type.

3| Course Structure & Timing

Each providers offer is different in terms of when the training takes place and how much face to face training take place

4| Provider type

Careers Leaders should consider the provider type for individual courses. The training providers are either School Leadership & Management, Career Development Training Providers or Higher Education
