## Descriptions of providers and their activity

### Careers & Enterprise Fund 2015

**Ahead Partnership Ltd** provides a mixture of social action, enterprise competitions, transitional skills and career panel activities Bridge to Work at Loughborough College provides flexible job skills and coaching courses to help students kickstart their career

**Business in the Community & Career Ready** delivers employer visits and workshops to 3,300 students in Thurrock, Southend and Ipswich

**Career Connect** provides career advice and work inspiration for young people in hard-to-reach schools

**Cogent Skills** inspires young people to pursue science careers using Industry Ambassadors and bespoke resources

**EBP West Berkshire** demonstrates the benefits of apprenticeships to young people and employers

**Engineering Development Trust** raises awareness of local STEM jobs for young people through its Industrial Cadets programme

**EngineeringUK** helps young people understand the diverse careers available in engineering

**Envision** develops employability through community action

**WorldSkills UK** informs students about what's needed to excel at work

**Founders4Schools** trains teachers and monitors the increase in the number of STEM graduates

**Future First Alumni Ltd** develops alumni communities to inspire and motivate current students

**Futureversity** raises aspirations and develops key capabilities in young people through holiday courses and volunteer schemes

**Global Generation** prepares young people for work through training and real-world encounters with employers in the King's Cross estate

**Greenpower Education Trust** supports 33 teams of students who design, build and race electric kit cars

**Groundwork UK** runs Enterprise Camp for unemployed young people, developing skills and engaging employers

**IntoUniversity** develops students' awareness of careers through contact with employers

**Outwood Grange Academies Trust** establishes Employability Centres that foster employer engagement pledges and alumni involvement

**Skills East Sussex** makes young people aware of the world of work, improving work readiness and boosting apprenticeship uptake

**Solutions for the Planet** challenges pupils to find a business solution to sustainability issues

**St Helens Chamber** runs 115 innovative and interactive careers fairs featuring hands-on opportunities

**The Access Project** connects volunteer tutors with students from disadvantaged backgrounds to help them attend top universities

**The Challenge Network** rewards young people with skills workshops and a job interview in return for volunteering

**The EBP** utilises employer connections to develop and prepare young people for work

**The Ideas Foundation** provides inspiring encounters with ad and design agencies

**The Key** merges two successful programmes to fill gaps in career and employment provision

**The Manufacturing Institute** supports teams of teenagers to compete in exciting and informative school-based manufacturing challenges

**The Springboard Charity** showcases the careers available in hospitality, leisure and tourism

**ThinkForward** provides work readiness coaching for disengaged young people

**TwentyTwenty** runs 26-week courses designed to help hard-to-reach 15-18 year-old NEETs develop work skills

**Volunteer it Yourself** helps school leavers learn DIY and building skills whilst improving their community

**York Cares** helps vulnerable young people sample work environments through visits, workshops & placements

**Your Life** delivers memorable workplace visits revealing first-hand the amazing careers available through studying STEM

## Mentoring Fund

**Adviza Partnership** runs Captain of My Ship, which provides 18 sessions of group and 1-1 employer-led mentoring.

**Ansbury Guidance** provides an all age service across Dorset to help young people and adults achieve their career goals through the provision of quality Information, Advice & Guidance.

**Ark School** provides a one-year mentoring programme pairing students with a local employer mentor.

**Develop** offers its mentoring programme to year 9 -10 students in schools where there is a clear evidence of need and / or are areas of highest deprivation on the Index of Multiple Deprivation (2015).

**Career Ready** prepares young people for work through a programme delivered by employer volunteers.

**Connect Education and Business** offers young people in years 8-10 from disadvantaged backgrounds and challenged localities a STEM industry based mentor for a period of at least 6 months.

**CSW Group Limited** provides a group employer mentoring programme for year 8–10 students.

**Dame Kelly Holmes Trust 'On Track to Achieve'** works with athlete mentors and targets disadvantaged students in year 10.

**East London Business Alliance (ELBA)** matches students to city business volunteers to support with planning their future career and skills for the world of work.

**EBP South Ltd** Activate Mentoring supports young people to develop confidence and be better prepared for their future by connecting them with a mentor from the world of work.

**EDT** inspires the next generation of STEM professionals via industry mentored projects.

**Education Business Partnership (NW) Ltd** provides a 22-week, 1-1 and group mentoring programme to year 10 students.

**Envision** embeds mentoring in a wider practical learning experience which supports young people to develop their own social action projects.

**GFirst LEP** works with Gloucestershire's jobseekers, businesses and schools, supporting local people with their careers and employability.

**Grit** delivers rigorous personal development and coaching, raising aspirations and supporting young people to fulfil their potential.

**Help Me I'm A Medic & ReachOut** empowers and supports people from all social backgrounds to fulfil their dreams of working in health.

**Hertfordshire County Council** delivered as a 1-to-1, face-to-face mentoring programme.

**Inspira** provides its 40-week employer mentoring programme to year 8-10 students.

**Mentor Link** provides one to one support to children in schools with the aim of improving their self-esteem and engagement in learning.

**OnSide Youth Zones** offers young people somewhere safe, inspiring and affordable to spend their leisure time.

**Opportunity Peterborough** part of Opportunity Peterborough's economic development portfolio and provides a brokerage service between businesses and schools.

**ReachOut** changes lives through one-to-one mentoring, helping young people develop academic skills, good character and raising their aspirations.

**RTC North Ltd** provides a 30-week 1-1 mentoring programme to students in years 8 to 10.

**Salford Foundation** provides a group mentoring programme for students in years 8 and 9.

**SATRO** provides an academic year-long, fully supported, employer volunteer mentoring programme to year 8–10 students who are disengaged or at risk of becoming disengaged in secondary schools.

**Sefton Education Business Partnership** with partners, provides a 35-week Business Mentor Programme to year 8 students, delivered across an academic year.

**Southend-on-Sea Borough Council** The 60 Minute Mentor programme works towards ensuring all young people in South Essex have access to an inspirational role model.

**Talentino Ltd** provides a 26-week group employer mentoring programme to KS4 and post 16 students in Special Schools and colleges.

**West of England Mentoring** group mentoring programme for year 8-10 students in secondary schools.

**The Brightside Trust** provides a 24- week programme to year 9 students in schools made up of group and 1-1 mentoring.

**The Diana Award** provides a 24-week group employer-mentoring programme to year 8-10 students in secondary schools.

**The EBP Mission Mentor** targets looked after children in years 8-10.
