

Resource: 16+ Choices	Supports Benchmark 7
What is the resource?	
<p>When it comes to the question of what to do following GCSEs there are a lot of options to think about. The Department for Education has put together a couple of simple and handy guides to inform young people and their parents about all of the options open to them.</p> <p>Here you will find:</p> <ul style="list-style-type: none"> . A route comparison grid which shows all of the routes available after GCSEs, along with additional information on each route such as the level of study, entry requirements, duration of the course, where it can lead etc. . A 2-minute animation showcasing and explaining each choice in a simple, dynamic and visual manner . Grid Colour . Grid Black and White 	
Top tips for effective use:	
<ul style="list-style-type: none"> • The video can be used on screens around school to encourage more young people to be aware of the options • Further exploration of the different pathways can be built into the careers programme • Where possible providers for all options should be invited in to give more information and allow for questions from the young people 	
<p>Is this resource to be used with a specific Key Stage? KS4</p> <p>Is there a cost attached to this resource? No</p>	<p>For further information regarding this resource please contact: education@careersandenterprise.co.uk</p>
